

ARGONAFTIS Open Call

Work Experience Programme for Young Scientists

AKTI PROJECT AND RESEARCH CENTRE is now accepting applications to fill 2 work experience positions for young scientists in Nicosia.

Beneficiaries:

Young tertiary education graduates with particular interest in environmental topics. We encourage students with specialisations in education and social media management to apply.

Deadline for submissions: 16/12/2022

Programme duration: 2-4 months

Work hours: 08:30 – 13:30

What is involved:

- Work experience in the key environmental issues of Cyprus
- Participation in applied research projects
- Education and awareness-raising actions in topics related to the environment
- Reward (300 euros per month)
